

Appointment Screen RCM

The screenshot shows a web interface for booking appointments. At the top, there is a navigation bar with a practice name 'MICHAEL BELUS' and an email 'admin@denmaar.com'. Below this is a header with 'BOOK AN APPOINTMENT', a 'Select Provider' dropdown, and a 'Book An Appointment' button. The main area is a calendar for March 2018. The calendar grid shows days from Sunday to Saturday. Appointment slots are visible on several days, including March 7, 14, 21, 28, and 29. Each slot is color-coded and lists a provider name and time slot. For example, on March 7, there are slots for William R. Sellers (11:30 AM), Frederick R. Compton (12:30 PM), Maria M. Duncan (01:30 PM), and Thomas C. Doyle (02:30 PM). A '+14 More' link is present below each list of slots. On the left side of the calendar, there is a vertical sidebar with icons for various functions like home, calendar, and user profile.

Pop Up to create new appointment

This screenshot shows the same 'BOOK AN APPOINTMENT' interface as above, but with a modal pop-up form titled 'Book an Appointment' overlaid in the center. The form contains the following fields: 'Patient Name*' with a dropdown menu showing 'Bertha J. Palermo'; 'Date*' with a date picker set to '24/03/2018'; and 'Time*' with a dropdown menu set to '11:00 AM - 12:00 PM'. At the bottom of the form are two buttons: a green 'Save' button and a grey 'Close' button. The background calendar is dimmed to show the pop-up clearly.
